Attention of Ms. Janet A. Encarnacion
Head - Disclosure Department

Gentlemen:

This refers to the news article entitled “SM Prime expands China footprint” posted in philstar.com today. The article reported in part that:

“MANILA, Philippines — SM Prime Holdings Inc., the Sy family’s listed integrated mall developer, is expanding its mall footprint in China and is looking at other sites in Southeast Asia as well.

In a press briefing after the company’s annual stockholders meeting, SM Prime president Jeffrey Lim said the company is pouring in P4 billion to build its eighth mall in China, which will be in Yangzhou City in the province of Jiangsu.

‘Construction will start before the end of the year,’ Lim said.

The new mall, targeted for opening in two years, will have a size of 80,000 square meters.

Aside from this, SM Prime is also expanding SM City Xiamen in Fujian province by 60,000 square meters.

SM City Xiamen currently has a size of 300,000 sqm. The company is also looking to spend roughly P3 to 4 billion to expand the Xiamen mall.

SM Prime is also looking to expand in the Southeast Asian region in the next few years, SM Prime chairman Henry Sy Jr. said yesterday.

Possible sites for expansion are Ho Chi Minh in Vietnam, Thailand, Malaysia and Myanmar, he said.

....”

We confirm the veracity of the above-quoted news article except with respect to the areas mentioned. The planned mall in Yangzhou City in the province of Jiangsu will have an approximate size of 220,000 square meters. The expansion of SM City Xiamen will add another 120,000 square meters to its existing gross floor area of 238,000 square meters.

Very truly yours,

TERESA CECILIA H. REYES
Vice President – Finance
